

Our Party and Event Packages

We understand that sometimes an hourly rate is not helpful when you're arranging a special occasion or event. We therefore offer the choice of hiring the entire hall at a fixed price. Please see the tables below for available options. What's included in each package is detailed over the page.

All party / event packages will give you sole access to the entire hall between the times specified. A fully staffed bar will be provided at times to suit you. Use of crockery, cutlery, tablecloths and basic stage lighting are also included, and tables and chairs will be set up to suit your requirements.
